

Absorption Minibar specifications WAM25

Gross capacity 22Ltr

Net capacity 19Ltr

External Dimension W350mm x D395mm x H458mm

Packing Dimension W390mm x D440mm x H500mm

Weight Net13kg Including Packaging 15kg

Body:

External Color -White or Black

Internal Color -White

Inner Body Material - HIPS

Outer Body Material - Pre-painted steel

Door: Solid

Type: Round

Handle type - Down=grab downward

Inner colors - White

Outer colors – White or Black

Technical

Voltage -220-240V

Frequency - 50Hz

Input power - 65Watts

Temperature range - From 0 -10 Degrees

Energy consumption (EN 62552) net / 24 hours kWh /

Cooling system: Absorption

Climate class N - 18-32°C

Type of application Option Freestanding OR Built-in

Adjustable thermostat - Digital

Defrosting - Automatic

Cooling gas - NH3

Foaming agent – PU Cyclopentane

Interior light - LED

Adjustable feet - Yes

Length of cable/incl. plug - 1.5mtr

Lock - Optional

Shelves:

Number -1

Type: grill(white)

Adjustable - Yes

Certifications - CE/CB/RoHS
