*Solar Friendly*

## About Warrior

Introducing the Warrior range of refrigeration. Warrior is a wholly Australian family business that specialises in reliable, essential refrigeration for a wide range of "off the grid" applications

---

## Products

The Warrior product collection includes:

Gas Refrigeration  
Gas Freezers  
Solar Friendly Refrigeration  
Absorption Minibars  
Camping Fridges.

---

## Solar Friendly

At Warrior our focus is all about innovation, quality and customer service. Therefore, the solar friendly range has a unique night switch for energy efficiency, three-year warranty and 365 day customer service hotline.

The Warrior Solar friendly range is Secop compressor driven and operates on 12 and 24 volt supply.

---

## Warranty

At Warrior, we are so confident in our products that we back them with a massive 3 year warranty, which includes a replacement guarantee for major faults in the first 12mths.

# WS188

## Solar Friendly Upright Fridge/Freezer

Total Capacity 184 Ltr  
 Freezer Capacity 48Ltr  
 Fridge Capacity 136Ltr  
 External Dimensions:  
 W600mm x D595mm x H1380mm  
 Weight Net 50kg  
 Weight with Packaging 57kg

Climate Type	T (Tested to 42°C)
Freezer Temperature Range	-12°C
Fridge Temperature Range	0° to 5°C
Electrical Input Option	DC 12V / 24V
Plug	12 AWG
Compressor	Secop Compressor
External Color	Optional
Internal Color	White
Thermostat	Yes Mechanical
Power Consumption	2.0 amp/hr over 24 hours

Night Function	Yes
Fault Indicator Light	Yes
Shelf	Glass, Freezer 1+ Fridge 3
Egg Tray	Yes
Ice Cube	Yes
Crisper Drawer	Wire
Lamp	LED
Adjustable Foot	2 Feet Adjustable
Reversal Door	Right Hinged

# WS288

## Solar Friendly Upright Fridge/Freezer

Total Capacity 285 Ltr  
 Freezer Capacity 63.2Ltr  
 Fridge Capacity 221.8Ltr  
 External Dimensions:  
 W600mm x D700mm x H1550mm  
 Weight Net 50kg  
 Weight with Packaging 57kg
